

AP[®] U.S. History Practice Exam

The AP[®] U.S. History exam evaluates students' understanding of U.S. history from 1491 to the present. Through multiple choice questions and various writing prompts, students will critically analyze the past, craft evidence-based arguments, and demonstrate historical reasoning.

Key Benefits

- **Cost-Effective Preparation:** At \$15 per exam, Thinking Nation's practice tests offer an affordable alternative to other prep resources, which can range from \$295 to \$799.
- **Developed by Experts:** The exams are crafted by experienced AP[®] teachers and College Board exam readers, ensuring alignment with current AP[®] standards and rubrics.
- **Enhanced Study Reports:** Students receive comprehensive reports that break down performance by historical periods and skills, aiding in focused study and revision.

Whether you are a classroom teacher looking to provide your students with a valuable practice or whether you are an individual student looking to get an edge on your studying, Thinking Nation has you covered!
